**State of Nevada**  
**Assembly**  
**Seventy-Seventh Session**

Dear fellow Republicans,

I am writing this in support for our State Chairman, Michael J. McDonald. For myself and my conservative colleagues, the support of our State Party was critical to the outcome of the 2014 primary and general elections. As I reflect on all the challenges in our last session as we battled those that have different values than you and I, it was Michael and the Party that back us in the face of that pressure.

Frankly, we do not want a chairman that registered Republican only two years ago, pressured our legislators to vote in favor of tax hikes, and has no Presidential Caucus experience to step in to lead our party for 2016. Michael has been a lifelong Republican and has been involved in every Presidential Campaign since he joined the Party.

For these reasons and many more, I am writing to ask that you join me in supporting the re-election of Chairman McDonald on Saturday, November 14, in Las Vegas.

Thank you for taking the time in reading this.
