Governor Joe Lombardo  
State Capitol Building  
101 N. Carson Street  
Carson City, NV 89701

Dear Governor Lombardo,

We appreciate your strong leadership and your steady hand guiding Nevada through tough times.

You've stood up for law enforcement, supported small businesses, and kept common sense at the heart of state government.

Now we're asking you to take one more important step — one that could change the future for thousands of Nevada kids.

As you prepare to call a special session of the Nevada Legislature, we respectfully urge you to add school choice to the agenda.

Every parent deserves the freedom to choose the best education for their child — public, private, charter, or homeschool. One size doesn't fit all.

Programs like Education Savings Accounts (ESAs) and Opportunity Scholarships make that freedom possible. For many families, these programs are not a luxury — they're a lifeline.

Nevada students can't afford to wait another year. Every school year lost means missed opportunities for learning, growth, and success.

Please, Governor Lombardo — let's make "Education Freedom" more than a slogan. Let's make it a reality.

Sincerely,

**Annie Black**
